Card Creation Prompts for AI Generation

Visual Style Prompts

Base Style: "Mystical oracle card design with cosmic space background featuring deep purples, blues, and cyan colors. Art nouveau border with celestial geometric patterns. Central figure or symbol should be luminous and otherworldly. Include subtle constellation patterns and nebula effects."

Individual Card Examples:

THE VISITOR:

"Mystical oracle card featuring an elongated crystalline object (3I/Atlas probe) surrounded by swirling energy fields in neon purple and cyan. Ancient astronomical symbols frame the edges. Deep space background with distant galaxies. Art nouveau border in gold. The probe should appear mysterious and luminous, emanating soft trails of cosmic energy."

STELLAR NAVIGATOR:

"Oracle card showing a cosmic compass rose with the 3I/Atlas object at center, pointing toward distant stars. Navigation instruments and star charts in the background. Neon blue and purple color scheme with gold accents. The design should feel both ancient and futuristic."

COSMIC MOTHER:

"Nurturing feminine figure made of starlight and nebula clouds, cradling the 3I/Atlas visitor. Maternal energy radiating from the center in soft pink and purple hues. Cosmic womb imagery with swirling galaxies. Sacred geometry patterns in the border."

Prompt Templates for Each Element

PLASMA CARDS: "Fiery cosmic energy, solar flares, plasma streams, bright oranges and reds mixed with cosmic purples, dynamic movement, stellar fire"

VOID CARDS: "Deep space voids, black holes, mysterious depths, dark blues and purples, flowing liquid-like cosmic matter, emotional depth"

QUANTUM CARDS: "Energy patterns, wave functions, probability clouds, electric blues and cyans, geometric patterns, mental clarity symbols"

MATTER CARDS: "Solid cosmic structures, asteroids, crystalline formations, earth tones mixed with cosmic colors, stability and grounding"
